

# KID'S PARTIES

Need a place to host a kid party?

## How about an Igloo!

Its private, and an authentic experience to make your own celebrations and memories. Our clear domes are magical where your birthday theme can come to life. Enchanting, cozy and inviting no matter what the weather - daylight, moonlight or snow fall.

## How about a visit and photo time with a character?

add on: You party comes alive when a visit from Spiderman, A Princess, Snow White, Elsa arrives in your igloo.

## Cake & Presents

You celebrate how you want with themed balloons, plates, dessert and more.

## add on: Pool time

we have several options for pool time. Adults required.

## Inquire

kids parties can be for all ages & adults too. We have options and price points to help your party be a memorable one. Get started
